john conti Coffee Company Acquires Innotech LLC Coffee Division

The john conti Coffee Co., continuing with a strong acquisition plan, has acquired it's 7th coffee service company in 20 months. **Innotech, LLC** of Nashville, TN has been operating the coffee division since 2001. The new accounts will be merged in with the existing john conti Coffee Co routes, operating in the Nashville area.

Danny Roos, Branch Manager of the Nashville/Western KY region for conti says "We continue seeking Companies to acquire in the Nashville area, so we can establish a major branch. We want to be a major player in this great City.

Nadine Simons, President of Innotech, LLC adds "We are concentrating on our water filtration business. The coffee business, although it was very good to Innotech, was taking our eye off of our goals in the water business. We approached john conti Coffee Co. because they have the same principals that we do... "Commitment to the Customer".

john conti Coffee® Co. now operates route service in Kentucky, Indiana, Tennessee, West Virginia, Illinois, Missouri, and Virginia. The Company also maintains distributors and chain accounts such as Tumbleweed and White Castle in Michigan, Wisconsin, North Carolina, New York, New Jersey, and other surrounding states. john conti Coffee Co. is a roaster of high quality gourmet coffees and manufacturer of the specialty line of *contea* iced and hot teas.
